On 12/03/2019 at approximately 1844 hours Alfredo MORALES JR was arrested for 2 counts of Kidnapping, Sexual Abuse, 2 counts of Public Sexual Indecency, 2 counts of Criminal Damage, resisting arrest and 2 counts of assault, near a walking bridge west of Mill Ave on the north side of Tempe Town Lake, in Tempe. MORALES was on the running path the on the north side of Tempe Town Lake when V1 and V2 jogged past him. V2 was by the lake side and V1 was to her left. V1 heard MORALES say something which was believed to be directed toward them.

At that time MORALES approached V1 on her right side and grabbed V1. MORALES grabbed V1's vagina with his right hand and her buttocks with his left hand. V1 said she could feel MORALES squeezing her and attempting to digitally penetrate her anus and vagina from the exterior of her clothing. V1 pushed MORALES away and MORALES grabbed V1 by the arm to pull her closer and MORALES again grabbed V1's vagina and buttocks, V1 said she felt him grabbing inside the crack of her buttocks. V1 said at this time she felt she was going to be raped or physically injured. V1 was not only fearful for herself but V2 as well. V1 said she could feel that MORALES was much stronger than her and thought if she did not get away more harm would come to her. MORALES again grabbed V1's arm and pulled her in closer to him again preventing V1 or V2 from leaving the area. V2 also stated she felt threatened that MORALES was going to sexually assault her or physically assault her as well. V1 said this pulling back and forth went on for multiple minutes. V1 explained prior to V1 and V2 being able to get away MORALES grabbed her vagina and buttocks at least 3 times and grabbed her arms at least twice to pull her closer. V1 was able to describe MORALES' attire as well as the fact he was missing a tooth, and she positively identified him via a one on one. V2 was also able to positively identify MORALES via a one on one.

V1 said she was able to push MORALES away and V1 and V2 fled westbound. MORALES continued to pursue V1 and V2 as they ran away from him. While chasing V1 and V2 MORALES would periodically pull down his pants and start to masturbate. MORALES did this for approximately 20 seconds at a time and did this at least three times. V1 and V2 saw his penis as he did this and was offended by alarmed by the act. V1 and V2 continued to run away from MORALES as they did, they jumped a chain-link fence separating the running path of Tempe Town Lake and the eastbound lanes of the 202 Loop. While

jumping the fence V1 and V2 tore holes in their pants, valued at approximately \$200 per pants. V1 said she was more afraid of MORALES hurting them than she was of any vehicles driving past them.

V1 saw MORALES run past them on the path and again thought MORALES would find them and hurt them. Though this time MORALES had taken off his hat and sweatshirt. V1 called out to two people near MORALES to warn them about MORALES. One of those people then pointed MORALES out to police officers and said they saw him take off a hat and sweatshirt.

Officers in a full Tempe Police Department uniform with a badge above the left breast, a Tempe Police Department patch on each shoulder, as well as a duty belt that consisted of a duty weapon and handcuffs, attempted to contact MORALES. MORALES ignored the order of "Stop," by the officer who said he called out to MORALES multiple times identifying himself as a Police Officer. MORALES also ran by the officers' fully marked patrol vehicle which had its emergency lights activated. After MORALES was detained MORALES freely admitted to saying he did not stop because he did not think the officers were talking to him.

V1 and V2 said they would be willing to aid in prosecution.

MORALES was transported and felony-booked into Tempe City jail for kidnapping, sexual abuse, criminal damage, public sexual indecency, assault, and resisting arrest where he held to see a judge.
